

# She Smiled Sweetly

[Lindsey Buckingham](#)

Why do these thoughts loom so large on me?  
They stay and stay for day after day  
And won't disappear, my hair's turning gray But she smiled sweetly, she smiled sweetly  
She smiled sweetly and said don't worry  
No, no, no, no And why do they hide inside of me  
They take a piece most every day  
And won't disappear, I've tried every way But she smiled sweetly, she smiled sweetly  
She smiled sweetly and said don't worry  
No, no, no, no There's no use in why or when  
There's no use in crying  
And so begin again begin again That's what she said so softly  
I understood for once in my life  
And feeling good most all of the time 'Cause she smiled sweetly, she smiled sweetly  
She smiled sweetly and said don't worry  
No, no, no, no No, no, no, no  
No, no, no, no  
No, no, no, no
