

King and Lionheart

Of Monsters and Men

Taking over this town, they should worry
But these problem aside, I think I taught you well
That we won't run, we won't run, we won't run And in the winter night sky ships are sailing
Looking down on these bright blue city lights
And they won't wait, they won't wait, they won't wait
We're here to stay, we're here to stay, we're here to stay Howling ghosts they reappear in mountains that are
stacked with fear
But you're a king and I'm a lionheart, a lionheart His crown lit up the way as we moved slowly
Past the wondering eyes of the ones that were left behind
Though far away, though far away, though far away
We're still the same, we're still the same, we're still the same Howling ghosts they reappear in mountains that
are stacked with fear
But you're a king and I'm a lionheart And in the sea that's painted black, creatures lurk below the deck
But you're a king and I'm a lionheart And as the world comes to an end, I'll be here to hold your hand
Because you're my king and I'm your lionheart, a lionheart. Howling ghosts they reappear in mountains that are
stacked with fear
But you're a king and I'm a lionheart And in the sea that's painted black, creatures lurk below the deck
But you're a king and I'm a lionheart, a lionheart
