

# Sorrow In The Wind (with Cheryl & Sharon White)

Emmylou Harris

(Jean Ritchie)I hear the soft wind sighing  
In every bush and tree  
The sound of my heart crying  
When you are far from meWhen we're apart, my darlin'  
There's sorrow in the wind  
When we're apart, my darlin  
Sweet sorrow in the windYou leave me in the morning  
Your footsteps die away  
Tho' not a leaf is stirring  
I hear the wind all dayWhen we're apart, my darlin'  
There's sorrow in the wind  
When we're apart, my darlin'  
Sweet sorrow in the windThey say when love grows older  
It dies and fades away  
Yet all our life together  
One ever brightening dayWhen we're apart, my darlin'  
There's sorrow in the wind  
When we're apart, my darlin'  
Sweet sorrow in the windWhen we're apart, my darlin'  
There's sorrow in the wind  
When we're apart, my darlin'  
Sweet sorrow in the wind  
Sweet sorrow in the wind
