If

Barry Manilow

If a picture paints a thousand words
Then why can't I paint you?
The words will never show
The you I've come to knowIf a face could launch a thousand ships
Then where am I to go?
There's no one home but you
You're all that's left me tooAnd when my love for life is running dry
You come and pour yourself on meIf a man could be two places at one time
I'd be with you
Tomorrow and today
Beside you all the wayIf the world should stop revolving
Spinning slowly down to die
I'd spend the end with you
And when the world was throughThen one by one the stars would all go out
Then you and I would simply fly away
