## Siouxsie and the Banshees

I'm just a vision on your TV screen  
Just something conjured from a dream  
Seen thro' your x-ray eyes,  
A see-thro' scene  
The image is no images  
It's not what it seems.  
My limbs are like palm trees  
Swaying in no breeze  
My body's an oasis  
To drink from as you please  
I'm not seeing what I'm meant to believe in  
Your non excuse for human being.  
It's not plain to see  
That I'm playing with me  
A photo-fit of loose ends, framed in 3-D  
Seen thro' your x-ray eyes,  
A see-thro' scene
