

# Tush

## PhillyDogs

Ooh, this that fire  
Ghostface and Missy  
Somebody tell that girl that her ass too big  
I give it to her right and she let me live  
Can't eat that, 'cuz there's no relationship  
I beat that, the next day you called in sick  
Frontin', not for nothin', I pop buttons  
Off Baby Phat, Levi's, J.Lo's, Guess and Gap  
'Cuz it's like that, young lady, bet I make you shake  
Like the Puffy and Jay-Z's, Dre's and J.D.'s  
Come on, if not you, I'mma beat this song  
But if you were 'bout it, our business wouldn't be here this long  
Let me break it down for you, all I wanted to know  
If I could just feel it and touch it and break it down into numbers and  
Come with me and just leave your friends  
'Cuz we don't need no cock blocking  
Tellin' you this without no option  
Tell your friends "Peace, look, I'm bouncin'"  
Tush, tush, tush  
Wanna slide in the bush, bush, bush?  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
You wanna get up in my tush, tush, tush?  
You could slide in the bush, bush, bush  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
You wanna get up in that tush, tush, tush?  
Wanna slide in my bush, bush, bush  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
Oh yeah, you jinglin', baby  
(Well, let me jump up on that ding-a-ling, baby)  
Ooh, gosh, you a nasty girl, sassy  
Picture me layin' you inside my classic pearls  
Toes'll curl, giddy up, you go, girl  
I'm about to, uh, do it slow, girl  
Ooh, you in control, it's in your world  
She on, I think I like ol' girl  
Take it out, turn around

Charlie horse shit, threw me off balance  
Wildin', all I wanted was to show you my talent

To let you know on how I rep in Staten Island  
This is the reason I came to you  
So we can connect it then kick it was the thing to do  
'Cuz we don't need no representation  
Domination, got them waitin' patient  
Now this is the way y'all suppose to  
To get down, y'all ain't right  
Somebody say "Aha, Ghost is back"  
Pull back the curtain, let me work your sermon  
Playboy don't hurt me like a virgin  
You seem real determined to put a hurtin'  
But if you ain't slurpin' then you better off jerkin'  
You got a lot of nerve to wanna serve my curves  
My 36D, 36 hips  
The way I shoot the gift, I swallow coke bottles  
And you would swear it was Lil' Kim lips, eh  
I really like you baby  
Do you know how to wife this lady?  
Give me what I want, don't talk, don't touch  
Unless you got a bank account that make my face blush  
Now shush in my bush  
And I can give you what you want, make a whosh  
Just throw it, I'll show you how to push  
Kinky sex, tie ropes around your wrist  
Come on  
Tush, tush, tush  
Wanna slide in the bush, bush, bush?  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
You wanna get up in my tush, tush, tush?  
You could slide in the bush, bush, bush  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
You wanna get up in that tush, tush, tush?  
Wanna slide in my bush, bush, bush  
I'm on top, you like push, push, push  
Keep it low like shush, shush, shush  
Come on, hah, oh  
Come on, hah, oh, aha-ha  
Oh, aha-ha, whoo  
Come on
