

Courage

Alien Ant Farm

You should try not to be so courageous
Contrary to the matter
Who you are, you are not
Come with me, I'll show you Saturn
Planets don't quite align
You should try not to be so courageous
You should try not to be so courageous
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
Traveled far for this lover
Who she was, she was not
But honestly, it don't matter
Aliens ain't farmers
You should try not to be so courageous
You should try not to be so courageous
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were, I never said you were
You got it all wrong, you got it all wrong
I never said you were, I never said you were
You got it all wrong, you got it all wrong, oh so wrong
You should try not to be so courageous
Remind me
These dismal moods have become contagious
Remind me
You should try not to be so courageous
You should try not to be so courageous
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were a mistake at all
You got it all wrong, you've misunderstanding
I never said you were, I never said you were
You got it all wrong, you got it all wrong
I never said you were, I never said you were
You got it all wrong, you got it all wrong
