## Courage

## **Alien Ant Farm**

You should try not to be so courageousContrary to the matter

Who you are, you are not

Come with me, I'll show you Saturn

Planets don't quite alignYou should try not to be so courageous

You should try not to be so courageous I never said you were a mistake at all

You got it all wrong, you've misunderstanding

I never said you were a mistake at all

You got it all wrong, you've misunderstanding Traveled far for this lover

Who she was, she was not

But honestly, it don't matter

Aliens ain't farmersYou should try not to be so courageous

You should try not to be so courageousI never said you were a mistake at all

You got it all wrong, you've misunderstanding

I never said you were a mistake at all

You got it all wrong, you've misunderstanding I never said you were, I never said you were

You got it all wrong, you got it all wrong

I never said you were, I never said you were

You got it all wrong, you got it all wrong, oh so wrong You should try not to be so courageous Remind me

These dismal moods have become contagious

Remind meYou should try not to be so courageous

You should try not to be so courageous I never said you were a mistake at all

You got it all wrong, you've misunderstanding

I never said you were a mistake at all

You got it all wrong, you've misunderstanding I never said you were, I never said you were

You got it all wrong, you got it all wrong

I never said you were, I never said you were

You got it all wrong, you got it all wrong
