

Standing In The Way Of Control

Gossip

Your back's against the wall
There's no one home to call
You're forgetting who you are
You can't stop crying It's part not giving in
And part trusting your friends
You'll do it all again
And I'm not lying Standing in the way of control
Go and live your life
Survive the only way that you know, know I'm doing this for you
Because it's easier to lose
And it's hard to face the truth
When you think you're dying It's part not giving in
And part trusting your friends
You'll do it all again
But you don't stop trying Standing in the way of control
Go and live your life
Survive the only way that you know, know Standing in the way of control
We live our lives
Because we're standing in the way of control
We will live our lives Because we're standing in the way of control
We live our lives
Because we're standing in the way of control
We will live our lives, lives, lives Your back's against the wall
There's no one home to call
You're forgetting who you are
You can't stop crying It's part not giving in
And part trusting your friends
You do it all again
You don't stop trying Standing in the way of control
Go and live your life
Survive the only way that you know, know
