Run for Me (feat. Gallant)

SebastiAn

[Chorus]
Run for me (Oh)
Run for me (Oh)
Run for me (Oh)
Run for me (Oh)[Verse]
We're all just dreamin'
Just barely drifting towards the shore
Nobody is listening
But I wonder, who sent these tears we're floating on?
We're all just dreamin'
Just barely drifting towards the shore
Nobody is listening
But I wonder, who sent these tears we're floating on?
[Chorus]
Run for me (Oh)
Run for me (Oh)
Run for me (Oh)
Run for me (Oh)[Verse]
We're all just dreamin'
Just barely drifting towards the shore
Nobody is listening
But I wonder, who sent these tears we're floating on?
We're all just dreamin'
Just barely drifting towards the shore
Nobody is listening
But I wonder, who sent these tears we're floating on?
[Outro]
Take one last good look at the door
Just take one last good look at the door
Might as well take one last good look at the door
Just take one last good look at the door
Might as well take one last good look at the door
Just take one last good look at the door
