Man Gave Names to All the Animals (live)

[Jason Mraz](#)

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoHe saw an animal that liked to growl
Big furry paws and he liked to howl
Great big furry back and furry hair
Ah, think I'll call it a bearMan gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoHe saw an animal up on a hill
Chewing up so much grass until she was filled
He saw milk coming out but he didn't know how
Ah, think I'll call it a cowMan gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoHe saw an animal that liked to snort
Horns on his head and they weren't too short
It looked like there wasn't nothing that he couldn't pull
Ah, think I'll call it a bullMan gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoHe saw an animal leaving a muddy trail
Real dirty face and a curly tail
He wasn't too small and he wasn't too big
Ah, think I'll call it a pigMan gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoNext animal that he did meet
Had wool on his back and hooves on his feet
Eating grass on a mountainside so steep
Ah, think I'll call it a sheepMan gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time agoHe saw an animal as smooth as glass
Slithering his way through the grass
Saw him disappear by a tree near a lake
