Vanity Kills

ABC

Have you heard the latest
(You love you)
Have you seen who just walked in
(Vain, vain, vain, vain)
(Uh huh, you love you)
Right over there
(She's so vain, vain, vain, vain)Yeah, come on
(Vain, vain, vain, vain)I'm glad you've found someone who loves you
But sad to say that someone is you
And now perhaps you'll both be happy
Guess that makes two, just you and you
Someone who cares so much about you
But does that someone have to be youBom bom bom bom, bom bom bom bom, yeah
Bom bom bom bom, bom bom bom bom, yeahVanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, it killsVain, vain, vain, vainSo glad I found you glancing in the mirror
Gazing deeply at love's patron saint
Admire the frame, survey the scenery
Or are you just inspecting the paint
Temptation's strong modesty's so weak
High on yourself, humble you ain'tBom bom bom bom, bom bom bom bom, yeah
Bom bom bom bom, bom bom bom bom, yeahVanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, you love youVanity kills, it don't pay bills
(No way)
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, it killsSo vain, vain vain vain vain
You love you, yeah
Give it up, give it up
So vain, so, so vain, so vainVanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, you love youVanity kills, it don't pay bills
(No way)
Vanity kills, you love you
Vanity kills, if the blast don't get you

Then the fallout will
You love you
