

# I'm Coming Home

[Martin Levac](#)

I know that there are romances we should be leaving to the past  
We never know if a love will last  
But if there was a way that we could travel back in time and start it over  
Would you still be mine?  
But love could be so strange full of changes and surprises  
But now that you are back into my arms Iâ€™ll never let you go  
Iâ€™m coming home and Iâ€™m never going to go  
And when youâ€™ll hear this song youâ€™ll know that I would never roam no more  
Iâ€™m coming home you can let the children know  
For all the time thatâ€™s yet to come weâ€™ll be together and our love will grow  
When we were young we didn't know how precious it could be to have somebody  
To hold and love and please  
But after all the pain that our poor hearts have been thru Iâ€™m telling you  
No more lies will ever hurt you  
Our love has always been more stronger than we thought  
And now that you are back into my arms I will never let you go  
Iâ€™m coming home and Iâ€™m never going to go  
And when youâ€™ll hear this song youâ€™ll know that I would never roam no more  
Iâ€™m coming home you can let the children know  
For all the time thatâ€™s yet to come weâ€™ll be together and our love will grow  
Oh now Iâ€™ve found a way to put pride on the shelf and truly be here with you  
Coming to each other with defenses down weâ€™re opening souls  
Iâ€™m coming home and Iâ€™m never going to go and when youâ€™ll hear this song youâ€™ll know  
Iâ€™m coming home you can let the children know  
For all the time thatâ€™s yet to come weâ€™ll be together and our love will grow  
Iâ€™ll stay forever â€™cos I love you soâ€™
