

# You Are God Alone (feat. Mmatema Moremi)

## Benjamin Dube

You are everything that I ought to be  
You are everything that I, I should be  
You are God alone, you set me free  
You are God alone, you set me free You are everything that I ought to be  
You are, oh yeah, everything that I, that I should be  
'Cause you are God, you set me free  
You are God alone, you set me free (You are God alone, you set me free)  
(You are God alone)  
You set me free  
(You set me free)  
(You are everything) that I (that I) ought to be (ought to be)  
You are (you are) everything (everything) that I (that I, I should be)  
Oh, it's you (it's you) God alone (God alone)  
Can you set me free?  
(That can) that can set me free (set me free)  
Hey you (it's you), you alone (God alone) that can (that can), can set me free (set me free)  
It's you (it's you) God alone (God alone) that can (that can set me free)  
Yeah  
(It's God alone) you set me free (you set me free) You are God alone, you set me free  
You are God alone, you set me free  
You are God alone, you set me free  
I am free because you died for me  
I am free because you thought about me when you died  
I am free because you love me too much  
I am free from oppression, depression because you saved me  
I am free from stain because you love me  
I don't worry no more because you love me sweet Jesus  
I am free because you love me  
Thank you Jesus  
Thank you king Jesus  
Tank you, the Lord  
Thank you for
