You made a glance towards the ceiling
That indicated your disgust with directions of conversations
But you're stressing out, and it's your right to
Hold back your instinctsReactions out of frustration
In an impossible situation
You don't have to be alone any-more
just hold on, just hold on'Cause when you're hurting, I'm hurting
I can feel your sorrow echoing through my bones and it kills me
You're my engine, you're my motivation
I listed, tipped over
And I faltered, no rebuttal
I see these days, they're wearing on you now
It makes the weight of the truth seem so unrelenting
Reactions out of frustration
in an impossible situation
You don't have to be afraid any-more
just hold on, just hold on
I really hope there's no self-imposed expectations
This role requires too much to everyone
'Cause when you're hurting, I'm hurting
I can feel your sorrow echoing through my bones and it kills me
And it kills me, and it kills me
'Cause when you're hurting, I'm hurting
I'm hurting
'Cause when you're hurting, I'm hurting
I'm hurting
