## Zimmer's Hole

Walking down the hallway  
She couldn't believe her eyes  
The guests were all enlightened  
And the cheer raised up "Surprise!"  
Standing in the doorway  
Plain for all to see  
Blushing in her birthday suit  
Lingerie by skippy  
Here kitty Surprise it's your birthday  
We did it just for fun  
But you've got your own gift  
A scratchy little tongue  
Try to run away  
But your secrets free  
Blushing in your birthday suit  
Lingerie by skippy  
Here kitty  
Kitty kitty
