

Noose'N'Go

The Crispies

[Verse 1]

Hey brother whatcha doing with that tie around your neck

Sister sleeping in the kitchen sink, her life's a wreck

She's so tired of burning slow
With a ticket on her tongue pocket full of blow

[Chorus]

Oh
She don't know
Oh
Where to go

She got her hair down low
She'll follow you

[Verse 2]

Hey now noose'n'go and nobody wants to know

Sister only misses sleeping on the kitchen floor

She's so tired of burning slow
With a ticket on her tongue and an anything goes

[Chorus]

Oh
She don't know
Oh
Where to go

She got her hair down low
She'll follow you

[Post Solo]

She's so tired of burning slow
With a ticket on her tongue and an anything goes

[Chorus]

Oh

She don't know

Oh

Where to go

She got her hair down low

She'll follow you
