

# Love Delirium

## Latent Anxiety

Verse A:

He can't get enough from you.

Watching you, his revenue.

When you're near, he doesn't talk.

But instead prefers to stalk. Verse B:

Living room, you read a book.

Dinner time, how nice you cook.

Bathroom tub, the final show.

Recorded, on video. Verse C:

What you see, and what you hear.

No secret, remains unclear.

Go to bed, he stays all night.

Making sure, you're sleeping tight. Chorus:

Love Delirium

Love Delirium

Love Delirium

Love Delirium
