Gotta Let U Know

[Ms. Dynamite](#)

I don't wanna be the one to turn and walk away
I still feel u in my heart but I just can't stay
I ain't nobody's fool, I know just what I'm worth
I know what I want, what I need, what I feel that I deserve
You said you wanna be someone
Said you wanna get out the game
And I'm hearin' all your talk but I ain't seein' no change
You say you wanna grow wit' me and uplift each others minds
But baby all you're showing me is you wasting your time
I just gotta let you know
I don't want nobody else
I just wanna see you grow
But I can't help if you won't help yourself
I just gotta let you know
I don't want nobody else

I just gotta let you go
Cos I can't help if you want help yourself
I have always told you that I'm happy being second best
To your baby girl but I ain't havin' your baby mumma's stress
Her childness
Her intent is obvious
And nigga the way you deal with her
You're fooling with my trust
Now boy it's really killing me
You don't have to say a word
I see the sorrow in your eyes
And in my soul I feel your hurt
I'm guessin' it's your pride that keeps your pain so deep inside
But it's stressin' questionin' how you feel and why you hide
