

# Touch

## Clay Aiken

Blue is the ocean in your eyes  
Blue is cool September skies  
As a lonely waterfall  
Red is the fire in your heart  
For the passion and love that we make as the sunset is fading away

Angel, heaven starts here tonight in you arms  
While I drown in your body get lost in your charms  
Now that you're here, angel don't go  
Let's keep the mood nice and slow

All I want is your touch  
All I want is your heaven right here by my side, every night  
All I want is your touch  
All I want is your tenderness here in my life, every mornng and night  
Girl, 'cause your touch is so right

Yes, I've been thinking about you  
I've imagined the feel of your body and how it will be when we move

Darlin', magic's alive tonight in your arms  
While I drown in this moment get lost in your charms  
Now that you're here, don't move too fast  
Let's make the moment last

All I want is your touch  
All I want is your heaven right here by my side, every night  
All I want is your touch  
All I want is your tenderness here in my life, every morning and night  
Girl, 'cause your touch is so right

I don't want nobody else  
And you'll see that my body is aching, I'm hopeless taken by you

All I want is your touch  
All I want is your heaven right here by my side, every night  
All I want is your touch  
All I want is your tenderness here in my life [Repeat x2]

Every morning and night

Girl, cause your touch is so right.
