Sugar sugar daddy put diamonds in my hair
Sugar sugar daddy you know he never cared
His blistered wallet goes where I should never share
But sugar sugar daddy put diamonds in my hairSugar baby's feet long for a rhythm nice and steady
Sugar baby buys her shoes for a pretty penny
She stabs her heels hard to the sound
Clicking on that shaky ground
Sugar baby's feet long for a rhythm nice and steadyOooh welcome to the merry go round
Oooh where noone stands on solid ground
Oooh welcome to the merry go round
Where lovers don't get anywhere but they sure do get aroundCHORUS: OhsSugar sugar daddy put diamonds in my hair
Sugar sugar daddy you know he never cared
His blistered wallet goes where I should never share
But sugar sugar daddy put diamonds in my hairOooh welcome to the merry go round
Oooh where noone stands on solid ground
Oooh welcome to the merry go round
Where lovers don't get anywhere but they sure do get around
