How Do You Do It

Yellow Ostrich

It's been awhile since I made you smile
Since I've had some clarity
It's been awhile since I took you out
'Cause I breathe catastrophe
How do I make it up to you?
How do I say I'm wrong?
How do you do it?
How do you put up with me?
How do you do it?
How do you put up with me?
It's been awhile since we worked it out
Since you've talked it through with me
It's been awhile since we reconciled
So please, hear my guilty plea
How do I make it up to you?
How do I say I'm wrong?
How do you do it?
How do you put up with me?
How do you do it?
How do you put up with me?
How do you do it?
How do you put up, how do you put up with me?
I just want to say I love you
(I just want to say I love you)
More than I ever have, you know I do
I just want to say I need you
(I just want to say I need you)
More than I ever have, you know I do
Yeah, you know I do
How do you do it?
How do you put up with me?
How do you do it?
How do you put up with me?
How do you do it?
(It's been awhile)
How do you put up with me?
How do you do it?
(How do you do it?)
How do you put up? How do you put up?

How do you put up with me?
