

# I'm Your Woman

[Kellie Pickler](#)

If you want someone who will turn your head  
Whoa oh, I'm your woman  
If you want something that you ain't found yet  
Whoa oh, I'm your woman You don't know but you just found it  
Come on baby think about it  
If you want something that's real  
I'm your woman, I'm your woman  
I'm your woman, I'm your woman If you want someone who will be your friend  
Whoa oh, I'm your woman  
If you want two arms to get wrapped up in  
Whoa oh, I'm your woman Come on baby who ya kiddin'?  
We both know that it's a given  
If you're wanting something that's real  
I'm your woman, I'm your woman  
I'm your woman, I'm your woman You know we are just wasting time  
It's obvious that baby I'm the one you want Come on baby who ya kiddin'  
We both know that it's a given  
If you're wanting something that's real  
I'm your woman, I'm your woman  
I'm your woman, I'm your woman I'm your woman, I'm your woman  
I'm your woman, I'm your woman
