

# Plain (Keith Sweaty Remix)

## Jesse Boykins III

Never thought Id ever be alone again  
Never thought youd go and find yourself a new trend  
Shouldve known I was always in the dark with you  
Shared less words than even secrets do  
Plain  
This feelings feeling plain  
Plain  
I always knew wed be plain  
Plain  
This feelings feeling plain  
Plain  
I always knew wed be plain  
Did you ever even feel some kind of way  
Cause now when I look at you, yeah, I feel plain  
Our kisses never hot, never cold  
Thought you were the one, you were just her mold  
Wouldnt call it stale, wouldnt call it fresh  
Doesnt tip the scale, it aint seasoned yet  
Wouldnt say its good, wouldnt say its bad  
But I guarantee youve already had it  
Plain  
This feelings feeling plain  
Plain  
I always knew wed be plain  
Plain  
This feelings feeling plain  
Plain  
I always knew wed be plain
