

# Heart Attack Man

[AutoKratz](#)

Drink a six pack and then you play some ball  
Walking down the stairs and then he starts to fall  
Add on two joints and then he starts to sweat  
Two hundred seventy five pounds, that you can't forget  
Heart attack, heart attack man  
Spend all your money on your health insurance plan  
Heart attack, heart attack man  
Keep on getting bigger, because you know that you can  
Why do you force yourself on top of that girl?  
Laugh with all your buddies, because it's a man's man's world  
Someday that shit will come back to you  
You've been throwing your weight around and your shit is through  
Heart attack, heart attack man  
Going nowhere, got no master plan  
Heart attack, heart attack man  
Heart attack  
Weights in at two seventy five  
Yeh, my man is lucky to be alive  
Smokin' and drinkin' too  
My man, the heart attack man, is gonna be running over you  
Got no God damn respect  
Had to put the big big bitch ass in check  
Heart attack, heart attack man  
Lungs full of tar and a stomach full of spam  
Heart attack, heart attack man  
Time to change your ways heart attack man  
{What do we know about partying or anything else?}
