Hindsight 20/20

Inspection 12

Oh, God, it's done and gone
It lasted much too long
I can't believe the hole I dug
But look who's cryingI know I said, I love you
But I don't and I feel fine
I thought, I'd feel a twinge of guilt
For all those times I liedBut here, there's no remorsefulness
I just sit back and laugh
Laugh behind you
It used to be there but I don't feel it now
