

Foreground (Duyster Session)

Grizzly Bear

Take on another shaft
Palms in the middle, hands in the middle
Walk out another road
Something is muffled, I'm not a chuckle This is a foreground
It is a foreground A cross country mass
Take our actions, can't connect it
I'm not afraid besides
Ten detected, nine in a wreck A little jelly fine
Pattern evolving, ocean and solid
Something about this light
Take all evening, I'll just be cleaning
