

Meet Me At the Harbour

Idlewild

Ive contacted someone that Ive always wanted
Ive contacted someone that Ive always wanted to be
To talk about reality, you and me
Well talk about cruel realityThe best plan is to stay in one place
If you cant crawl outside, therell be no
The best plan is to stay in one place
If you cant crawl outsideMeet me at the harbor
Ill meet you where I find you
Communications found outMeet me at the harbor
Ill meet you where I find you
Communications found outIve contacted someone that Ive always wanted

If you cant crawl outsideMeet me at the harbor
Ill meet you where I find you
