# Simple Pleasures

## Jake Bugg

Advisory - the following lyrics contain explicit language:

You've been huntin' round for treasure
Find it all in the simple pleasures
I don't understand this life you lead
Tryna be somebody else and
Tryna be the one's who help
Wanna find the one who helps you breatheMaybe it's all a big mistake
And you live on all you take
From the lives that have always been close
I've been roaming around for hours
Singing all your songs of praiseHow on earth can I complain
How in hell can I be safe
From this sudden fear of change
This sudden fear is strangeTryna understand your ways
You hide them with convulsive rage
You tried to be the best you could be
People finding the most pleasure
All within the smallest treasures
This don't seem possible to meAnd maybe it's all that you've done wrong
So just bite your silver tongue
That you lied with, lied to yourselfI've been roaming around for hours
Singing all your songs of praise
How on earth can I complain
How in hell can I be safe
From this sudden fear of change
This sudden fear is strangeYou've been huntin' round for treasure
Find it all in the simple pleasures
I don't understand this life you lead
Maybe it's all a big mistake
And you live on all you take
From the lives that have always been closeI've been roaming around for hours
Singing all your songs while
Standing at the edge about to fall

Faces crushed against the wall
The sudden fear of singing all your songs of
Staring into space I hear the sound
From a voice that's never found
The sudden fear is strangeBut maybe it's all a big mistake
And you live on all you take
From the lives that have always been close
I've been roaming around for hours
Singing all your songs of praise
How on earth can I complain
How in hell can I be safe
This sudden fear is strange
This sudden fear of change
