

One Of God's Better People

Robbie Williams

You're one of God's better people
And you don't know
That's why you're special
And I cry so I can talk like this
From my downbeat existence
And I know that you can make my wish
If my wish is pure
But I don't know
I just don't know
I don't know
Let me love you so
Now I can't live this without you
I'd die without you
Without you, without you
You're one of God's better people
And you don't know
That's why you're special
It must hurt to see your favourite man
Lose himself again and again
And I know that you're my only friend
From way back when
My wish was pure
It was oh, so pure
It was pure
I couldn't love you more
Now I can't live this without you
I'd die without you
Without you
Now I can't live this without you
I'd die without you
Without you, without you
And everybody's going to step aside
As you spread your wings and you will fly
And take me to the other side where they know
'Cos I don't know no more
I just don't know no more
I don't know
Let me love you so
Now I can't live this without you

I'd die without you
Without you
Now I can't live this without you
I'd die without you
Without you, without you
You're one of God's better people
And you don't know
That's why you're special
