

# Above the Clouds

## Electric Light Orchestra

Oh in the heat of the night  
Well when things ain't going right  
No no no no no no, you were in memoryI came along to see your face  
But the only thing I got from you  
Was telling me it's fantasy  
That you would always be with me  
I can tell you that it's true  
(I can tell you that it's true)  
(Well yes it's true)I'm waiting here  
But it's alright  
It's alright, it's alright  
But it's alright with me  
You better believe me nowI guess it's like a mountain side  
You gotta climb it to the top  
Floating in the sea of dreams  
The only thing that you can see  
Is the view above the clouds  
(Is the view above the clouds)  
(Above the clouds)
