

Awesome (Mr. Troublesome Live Version)

Kanye West

You don't need me to ever write
I read your last message at least 1000 times
At least 1000, at least 1000 times
Alright, alright, alright
Why did you ever listen to
People trying to hate on you
At least you know that's nothing new
Stop everything you're doing now
Cause baby, you're awesome
So awesome
You look too good to be at work
You feel too good to ever hurt
I hope you ready for tonight
I'm gon cook, you'll be dessert
You can't be still
You gotta move, you gotta dance
I gotta live, I gotta love
I got a hope, I got a chance
Cause baby, you're awesome
You don't need to listen to your manager
You're way too hot for them to handle you
Baby, not doing nothing? you
Came for something that I've got it
Why you fallin' on me
Cause I'd rather do nothing with you
Than something with somebody new
Yeah, I'd rather do nothing with you
Than something with somebody new
Stop everything you're doing now
Cause baby you're awesome
Don't let nobody bring you down You're so awesome
You're so out the park
You're so after dark
You're so sleepless nights, oh you feel so right
Oh, you nnannanaa
I know you must be tired
From running through my mind
Can I come inside?
Cause baby you're awesome

Also, I'm also awesome, also
I'm also awesomeY'all know
And I'd rather do nothing with you
Than something with somebody new
Yeah, I'd rather do nothing with you
Than something with somebody new
Stop everything you're doing now
Cause baby you're awesome
Don't let nobody bring you down
You're so awesome
You're so out the park, you're so after time
You're so breaking?, oh it feels so right
