Starry Eyed Surprise

Shifty

Hey DJ
Tonight
Stars
Tonight
I'm seeing stars
Tonight
Stars
Tonight
I'm seeing stars
Tonight
Stars
Tonight
Once again, I find myself with my friends
Dancing the night away, it's like the party never ends
Then again we don't want it to stop 'cause tonight's the night
It goes sweat box, laser beams, flashing lights
Wild cards, men from Mars, dressed in stars and stripes
Eclectic electric
Ladies of the evening, drinking booze and mingling
Mashing to the music, I can do anything
Freaky dicky star speckles and pink butterflies
And life is nice, so nice
I walk into a club and I've found paradise
I'm seeing stars, I can't believe my eyes
Oh my, starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ
Ah sugar, dance all night to this DJ
Oh my, starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ
Ah sugar, dance all night to this DJ
Dance all night to this DJ
Ah lover dance all night to this DJ
Now the record spins on the trails we blaze
The walls are closing in but thats okay
Because Ive been waiting all week to feel this way

And it feels so good, so good
I'm on top of the world
The coolest kid in the neighborhood
So let me be your star for one night, that's right
Sweat box, laser beams, flashing lights
You've got to feel the rush, feel the spice of life, love life
Shifty rolls the dice snake eyes surprise
Icing, memorizing, the minds are sick ones
Cause what we are, is victims of fun
Come on, come on, the fun is just begun
Come on the fun is just begun
Oh my, starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ
Ah sugar, dance all night to this DJ
Oh my, starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ
