

# Hurricane (Chvrches Remix)

MS MR

Didn't know what this would be  
But I knew I didn't see  
What you thought you saw in me  
I jumped the gun  
So sure you'd split and run  
Ready for the worst  
Before the damage was done Oh ho oh ho oh ho oh The storm never came  
Or it never was  
Didn't know getting lost in the blue  
It meant I wound up losing you Welcome to the inner workings of my mind  
So dark and foul I can't disguise  
Can't disguise  
Nights like this  
I become afraid  
Of the darkness in my heart  
Hurricane Oh ho oh ho What's wrong with me  
Why not understand and see  
I never saw  
What you saw in me  
Keep my eyes open  
My lips sealed  
My heart closed  
And my ears peeled Welcome to the inner workings of my mind  
So dark and foul I can't disguise  
Can't disguise  
Nights like this  
I become afraid  
Of the darkness in my heart  
Hurricane Make ash and leave the dust behind  
Lady Diamond in the sky  
Wild light  
Glowing bright  
To guide me when I fall  
I fall on tragedy Welcome to the inner workings of my mind  
So dark and foul I can't disguise  
Can't disguise  
Nights like this  
I become afraid  
Of the darkness in my heart

Hurricane
