

# She'll Get the Roses

Robyn Ludwick

Baby Iâ€™ve been lost  
Been double crossed  
Iâ€™ve been a fool  
Gambled and lost  
I been down so low  
That I canâ€™t get back up  
I feel just like a clown  
Cause I canâ€™t get enough

And baby Iâ€™ve been thinking  
There must be some way  
Of telling me before Iâ€™m on the run

Sheâ€™ll get the roses  
Youâ€™ll wear the band  
Iâ€™ll get the sorrow  
And a one night stand  
Sheâ€™ll tell her best friend  
â€œHe's my man"  
Sheâ€™ll get the roses

But I came here tonight  
Hoping youâ€™d show  
Oh but honey  
Ainâ€™t nothin' left  
Youâ€™d see me cryinâ€™

Feelinâ€™ so bad  
more of the time  
so you'll have to walk softly  
on this ole heart of mine  
Cause baby Iâ€™ve been thinkinâ€™  
There must be some way  
Of tellin' me before Iâ€™m on the run

Sheâ€™ll get the roses  
Youâ€™ll wear the band  
Iâ€™ll get the sorrow  
and a one night stand  
Sheâ€™ll tell the whole world

â€œHe's my man"  
Sheâ€™ll get the roses

But I came here tonight  
Hopinâ€™ youâ€™d show  
Oh but honey  
Ainâ€™t nothinâ€™ left  
Weâ€™ve made a mess  
No now honey  
Ainâ€™t nothinâ€™ left  
  
Youâ€™d see me cryinâ€™
