

# Morning Prayer

[Dylan Thomas](#)

Last night I had a dream  
I was drowning again  
You grabbed my hand  
And pulled me to safety  
As I looked into your eyes  
I saw my savior  
The person that I knew had been there all along  
Just waiting for the chance to kill me  
We kissed  
And my mouth started to bleed  
Then all my teeth fell out  
I hate it when that happens
