

# I'm Not Supposed to Care (1988 Version)

Gordon Lightfoot

I think you'll have somebody waiting outside in the rain  
To take you away  
You got places to go, you got people to see still I'm gonna miss you  
But anyway I wish you good spaces in the far away places you go  
If it rains or it snows  
May you be safe and warm and never grow old  
And if you need somebody some time You know I will always be there  
I'll do it although, I'm not supposed to care I'll give you the keys to my flying machine if you'd like  
I will show you the light and when you call  
I'm gonna come to you  
And when you find someone who loves you I'll know you would treat me the same  
Just lie there, you're not supposed to care I think you'll have somebody waiting outside in the rain  
To take you away  
That's some kind of a game still I'm glad it came down to the final round  
But anyway If you think you need someone who needs you  
You know I will always be there  
I'll do it although, I'm not supposed to care  
I'll do it although, I'm not supposed to care
