

# Shake (French EP Version, Different Vocals)

## Small Faces

Listen while I'm talking to you  
I tell you what we're going to do  
There's a new thing goin' around  
And I'll tell you what it's puttin' down  
Move your body all around And do, shake

Early in the morning

Shake

I said, later in the evening

Shake

I'm long gone baby, now

Shake Shakin' like a bowl of soup

Legs go loop the loop

Put you hand upon your hip, now

Come on, and let your back bone slip, yeah

Move your body like your hip Now, do, shake

Early in the morning

Shake

I said, later in the evening

Shake

That's the way you do it, now

Shake, come on Ding a ling a ling

Oh baby, shakin' is the latest thing

You wanna really roll

You got to do this thing with soul If you wanna really roll

You gotta do this thing with soul

Shake it, shake with all your mind, yeah

If you do it, do it right, now

Make you body loose And do, shake

Early in the morning

Shake

I said, later in the evening

Shake

I'm long gone baby now

Shake If you wanna really roll

You gotta do this thing with soul

Shake it, shake with all your mind

If you do it, do it right, now

Make you body loose And do, shake

Early in the morning

Shake  
I said, later in the evening  
Shake  
I'm long gone baby, now  
Shake, oh yeah All right  
Early in the morning  
Later on the evening  
I says, come on children  
You gotta get on the sea with me
