

Sexy Girl

J-Hype

make way for the girl
round of applause
looks like an angel
bu she acts like a boss
the kinda girl i want
the girl of my dreams
and i wonder is it only fantasy
when she says stay with me
i want this feeling to last an eternity
when she says stay with me
i get the feeling im on top of the world
everybody wants you
with them high heel shoes
hey whoa-oh-oh
go ahead sexy girl
shawty got swag makinall them haters mad
whoa-oh-oh
go ahead sexy girl
she got me sayin oh oh oh
go ahead sexy girl
she got me sayin oh oh oh
go ahead sexy girl

people be followin her everywhere she goes
flashing lights paparazzi
i dont know whats happenin to me
when she says stay with me
i want this feeling to last an eternity
when she says stay with mei get the feeling im on top of the world
