## Red Tape

Riot is what we need  
Riot is what we need  
Riot is what we need  
Riot is what we needNothing  
Bored  
The underground  
Finally explodesRiot is what we need  
Riot is what we need  
Riot is what we need  
Riot is what we needCultured  
Controlled  
The angry kids  
Frustrated soulsRiot is what we need  
Riot is what we need  
Riot is what we need
