

Breathe Again

The Kickdrums

You can do what you want

I'll always protect you

Stuck in a well for two

I know it might be wrong

I really don't care

'Cause we are one, time it again

And we are one, for all it seems Do what you want

I'll always protect you

Stuck in a well for two

I know it might be wrong

'Cause we are one, time it again

And we are one, for all it seems
