

Give Me

Kirk Franklin

Mali, let's go get 'em Gimme that joy I can't explain
Add extra peace that'll ease my pain
I hope that love that'll never change
Gimmie dat (gimmie dat)
Gimmie dat (gimmie dat) Gimme that power to walk away
When another God wants to take your place
As much of you as I can take
Gimmie dat, gimmie dat
Oh oh oh Anybody ready
Oh oh oh
Ready for his glory
Oh oh oh
If you a seeker for life
Oh oh oh
Let me tell you this story
Oh oh oh
Every place that's dark
Oh oh oh He will bring it to light
Oh oh oh
Hypocritical hearts backsliders
Liars time to get right
Oh oh oh
See I include myself
Oh oh oh
I cast my own stones
Oh oh oh I'm the man in the mirror y'all
Oh oh oh
I can see my wall
Oh oh oh
But I'm here by grace
Oh oh oh
Through Christ by faith
Oh oh oh
I had to make that choice
I had to open up my mouth and say Gimme that joy I can't explain
Add extra peace that'll ease my pain
I hope that love that'll never change
Gimmie dat (gimmie dat)
Gimmie dat (gimmie dat) Gimme that power to walk away

When another God wants to take your place
As much of you as I can take
Gimmie dat (gimmie dat)
Gimmie datOh oh oh
Anybody tired
Oh oh oh
You want the show to end
Oh oh oh
Get the actors off stage
And let church begin
Oh oh oh
Do you want a revolution
Oh oh oh
You wanna hear a new song
Oh oh oh
God is cleanin' up house
Oh oh oh
At first he started right at home
Oh oh ohNo more miracle water
Oh oh oh
That comes from money and fame
Oh oh oh
Everybody got a title
But do you know your name
Oh oh oh
If we humble ourselves people
Oh oh oh
Fall on our face
Oh oh oh
And ask God everything in me
That's not right take it awayYeah, gimme that joy that I can't explain
Add extra peace that'll ease the pain
I want that love that'll never change
Gimmie dat (gimmie dat)

When another God wants to take your place
As much of you, Lord as I can take

When another God wants to take your place
As much of you as I can take
Gimmie dat, gimmie datAnd I keep shelter today

Now your my everything Give me that God who breathes life
Into the nostrils of man
A sovereign God who predestined
Creates for me time and again
I want the God who would really ?
Against the better darkness in stars The God who orchestrates the future
At the same time he knows where you are
Give me that God who supplies my needs
'cause he owns all the cattles on the hill
And he's the God who earns my ?
Enough to pay all my bills And gimmie me that God, that's the God I'm talkn' bout
Gimmie me that God, that's the God I'm talkn' bout
Gimmie dat, gimmie dat

Add extra peace that'll ease my pain
I want that love that'll never change
Gimmie dat, gimmie dat Gimmie the power to walk away
When another god wants to take your place
As much of you as I can take
Gimmie dat, gimmie dat Gimme that joy I can't explain
Add extra peace that'll ease my pain

Gimmie dat, gimmie dat Gimme that joy I can't explain
Gimme that joy I can't explain
I am at a loss of words, now
I'm so happy, you make me happy, now
Yeah, yeah yeah yeah yeah
