

See You Tonight

Kiss

I know it's around, I don't have any doubts about that night
I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonightBut I know it's around, I don't have any doubts about that
nightI'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonight, outside
See you tonight, outside, see you tonightI'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonight, outside
See you tonight, outside, see you tonightI'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonight, outside
See you tonight, outside, see you tonightI'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonight, outside
See you tonight, outside, see you tonight
