# No Rest For the Wicked

## NoMeansNo

We are you, you are not
We are you, you are not
We crawl down, you jump up
We crawl down, you jump up
You are not youI know
There's no let up
There's no peace, no rest
Not for the wicked
No rest for the wickedWhat are thou, thou art not
What are thou, thou art not
You climb up, you're dragged up
You climb up, you're dragged up
You are not youI know
There's no let up
There's no peace, no rest
Not for the wicked
No rest for the wicked
