

It's All Too Much

Journey

WowIt's all too much for me to see
The love that's shining all around you
It's everywhere, it's what you make
For us to take each other's loveIt's all too much for me to see
The love that's shining all around me
The more I am, the less I know
And what I do, is live for loveHey hey hey hey
Oh, no no no no no
Yeah hey hey hey
AlrightWooh, yeah, yeah
It's all too much
It's all too much, it's all too muchIt's all too much for me to see
The love that's shining all around you
It's everywhere, it's what you make
For us to take each other's loveIt's all too much for me to see
The love that's shining all around me
All the world is built in hate
So take a piece of my true loveIt's all too much, it's all too much
It's all too much, it's all too much
It's all too much, it's all too much, wow
It's all too much, it's all too much
It's all too muchHcum oot lla s'ti, hcum oot lla s'ti
Hcum oot lla s'ti, wow, hcum oot lla s'ti
