Rockin' & Rollin' (feat. Lennon & Maisy)

[Nashville Cast](#)

He's right and I'm wrong
This love is good as goneHe's pushing, I'm pulling
Who did I think I was fooling?He's rockin', I'm rollin'
He's beautiful and I'm broken
I should've known better
Thinking this could last forever
Giving up, giving in, let's
Call it out for what it isShould've known where this was going
He's rockin', I'm rollin'He's careful and I'm reckless
Don't know what we expectedBoth young and so stupid
Let's blame it all on cupidHe's rockin', I'm rollin'
He's beautiful and I'm broken
I should've known better
Thinking this could last forever
Giving up, giving in, let's
Call it out for what it isShould've known where this was going
He's rockin', I'm rollin'We're hanging on only
Nobody wants to be lonelyOh ohHe's rockin', I'm rollin'
He's beautiful and I'm broken
I should've known better
Thinking this could last forever
Giving up, giving in, let's
Call it out for what it isShould've known where this was going
He's rockin', I'm rollin'I'm rollin'
