

Commercial Alternative

Teenage Fancub

I wanna thank you, 'cause I'm a mess
I wanna thank you, the way you dress
I wanna thank you for staying here
I wanna thank you, I love you dear Now I know you
Like I know you
Like I'm going to I wanna thank you for staying cool
I wanna thank you, 'cause I'm a fool
I wanna thank you, where have you been?
I wanna thank you, I love your scene Now I know you
Like I know you
Like I'm going to Now I know you
Like I know you
Like I'm going to
