

# I Still Miss Someone

[Johnny Cash](#)

They'll probably take that word out of it  
At my door the leaves are falling  
A cold wild wind will come  
Sweethearts walk by together  
And I still miss someone  
I go out on a party  
And look for a little fun  
But I find a darkened corner  
'Cause I still miss someone  
Oh, no I never got over those blue eyes  
I see them every where  
I miss those arms that held me  
When all the love was there  
I wonder if she's sorry  
For leavin' what we'd begun  
There's someone for me somewhere  
And I still miss someone
