

Good Hard Screwing

Larry Pierce

You can travel 'round the world, go diving for some pearls,
You can ride in a rodeo
You can jump out of a plane; go dancing in the rain,
Or just listen to the radio
You can party all night, and drink and get tight,
You can dance to the dos-y-doe
But there ain't nothing like a good hard fucking

You can kiss me all over, and tickle me with clover,
Baby you can even suck my cock
You can lay me on the grass, and lick me on my ass,
Or just jack me off with a sock
Get me up against the wall, and suck and lick my balls,
You can give it everything you got
But there ain't nothing like a good hard fucking

I can look you in the eyes, and squeeze your naked thighs,
And hold your body close to mine
I can fiddle with your tits, your ass hole and your clit,
And rub you down with sweet red wine
Eat your pussy in a chair, rub my cum through your hair,
Honey we could have a real good time
But there ain't nothing like a good hard fucking

You can do a sexy dance, take off you underpants
You can play with your pussy yourself
You can use a broomstick, pretend that it's dick
You can even get somebody to help
You can use a string of beads, run naked through the breeze
Or get off in the shower as well
But there ain't nothing like a good hard fucking
There ain't nothing like a good hard fucking
