Air Of The Night

Styles P

I'm laying here under the covers,
one minute I'm hot next thing I'm cold.
Feels like I'm going through withdraw
from the love I used to know.[bridge]
I don't wanna eat or sleep (no no)
I don't wanna see or peek (oh no)
I don't wanna answer my phone because its not you[chorus]
Life without you here with me, never has no meaning
It's like a heart without a beat (we are suppose to be)
There's no reason why my tears wont dry
The only distance between you and I is (the air of the night) [x5]There's only one way for me to recover,
staying here won't bring me back to you
So whether it's a plane or car whatever it takes to mend my heart,
If i wait another night i wont make it through[bridge]
I don't wanna eat or sleep (no no)
I don't wanna see or peek (oh no)
I don't wanna answer my phone because its not you[chorus]
Life without you here with me, never has no meaning
It's like a heart without a beat (we are suppose to be)
There's no reason why my tears wont dry
The only distance between you and I is (the air of the night) [x5]Man oh man oh man I need his love
air is the only thing between us (between us)
I know i sound dramatic,
something like an addict
Got this urgency to give you back to me[bridge]
I don't wanna eat or sleep (no no)
I don't wanna see or peek (oh no)
I don't wanna answer my phone because its not you[chorus]
Life without you here with me, never has no meaning
It's like a heart without a beat (we are suppose to be)
There's no reason why my tears wont dry
The only distances between you and I is (the air of the night) [x5]
